Venue:	MetalFab Polycoats
Class:	TYBBA
No. of Students:	90
Coordinator:	Nisarg Shah & Vaishali Pillai
Category	Student's Development Activities Club

B. V. Patel Institute of Management organized an industrial visit for TYBBA students at MetalFab Polycoats, Sayan on 3<sup>rd</sup> September 2021. MetalFab is engaged as a manufacturer, supplier and distributor of a comprehensive range of Quality Coated Fabrics. The company produces various products such as Umbrella Fabric, Sports & Recreational Fabric and Functional Process Fabric.

Students reached the company at 10:45 am and they took a lunch offered by the company. Followed by it, students were divided into two groups to visit a manufacturing facility.

Students visited 2 units where they studied various functional processes of fabric such as fire retardancy, water repellency, antistatic, black-out fabric, Teflon coating, UV resistance etc. Students also visited the sizing department and dyeing department. In the whole visit, one supervisor is allocated to each team and the supervisor guides the students for each of the units they visited. Students are also asked various questions during the visit and solve their queries.

Afterwards whole students gather at one place and they share their experience in front of the company Director. Ms. Vaishali and Mr. Nisarg Shah gave a thanks letter to Director sir.

Overall students enjoy the visit and they learned many things from the visit.
