### **Cleanliness Drive at Institute**

As our university is celebrating the 10<sup>th</sup> anniversary of its establishment and B. U. Patel sir's birthday, B. V. Patel Institute of Management organize a cleanliness drive in the institute premise. Student clean their respective classroom. The classes and campus cleaning also made us realize how much of plastic and paper we used to consume and dump regularly. Many students decided to minimize the waste as well as to make sure that the surroundings remain clean further as much as possible.

Students have cleaned different areas of the institutions such as class room (including, benches, lights, fans, window glass and green board), lobby, and other surrounding areas of the building.

The activity made students realize the need and concern about the environment issues which requires implementing the programmes like Plastic Ban, Swachha Bharat and many other initiatives for the developing nation.

At the end of the day students' has understand the importance of cleanliness as well as how to maintain the cleanliness near the places.
