B.V. Patel Institute of Management has organized a session for second year BBA Students on “think out of the box”.

The term ‘thinking outside the box’ is generally associated with innovation and problem solving in business and management.

The session was organized to enhance the how to think differently? How the problem can be seen differently? The entire session was divided in two parts. In first session, Dr. Nirav has

enlightened the students with theoretically aspect after wards in second session; Dr. Nirav gave task of creating collage. Where students showcase various collage by using given resources.

During the seassion Dr. Nirav encourage students for creative thinhink by giving the puzzle. This session was try to explain students about Thinking outside of the box starts with you and your creativity. It is what separates you from the rest of the crowd.

After the collage making activity, best collage judge by the Mr.Nisarg shah was awarded with bunch of chocolate.
