B.V. Patel Institute of Management had organized a Session on Export and Import business. The students were made aware of grooming future in this field and how to setup their own export import business. The speaker shared with us his experience over the years in this business and gave us solutions to overcome those challenges.

Mr. Hirpara has started session with how goal is important in the life of students. He has also emphasized on importance of determination, commitment and learning attitude.

The students then got to know what documents are required to start this business, from where to arrange the resources for it, how to deal with the financing and most important to keep bank as an intermediary between buyer and seller. Moreover, for customs clearance, the documentations required are quality check receipt, Payment receipt etc. are essentially required.

The students actively participated in the session and in the end, questions were asked by the student which were answered by the speaker enthusiastically.
