B.V. Patel Institute of Management organized a session on management lessons from Mahabharata by Dr. Pratik C. Patel who elaborated the life lessons related to various scenario of Mahabharata mapping with different characters and their roles. Leadership skills, HR values and strategic values were discussed by exemplifying the epic scenario and industrial scenario in the existing corporate world.

Students were made aware to take learning from those real world scenarios and explore the corporate world by learning management lessons. He has also discussed, learning from different character and what one can take positive points from negative character and weakness from positive characters. It was an interactive and useful session for students of First Year BBA.
