B.V. Patel Institute of Business Management and Udaan Foundation of Adani were organized two days educational tour for the BBA students. 75 students and 5 Faculty members were visited APSEZ on 31th July and 1st August, 2022. This visit has a basic aim to explore and study management aspects in the industry and to enhance practical learning. During these two days of education visit students were visited four major business of Adani group. 1. Old Adani Port 2. New West Adani Port & logistics 3. Adani Power plant 4. Adani wilmar Ltd.

Day one started with visit at the Adani port and logistic which is largest privet port in India. Students were eagerly watched the process, equipments and vessel management as well as loading and unloading process with help of high-tech Jetty. Than after students were move towards the Adani wilmar Ltd. where they watched out processing of refining of palm eatable oil. That brand is call fortune. Next Moring were started with yoga and laughing activity at the Santi Vihar at Mudra. After that resource person took the students at the Adani power ltd. This is second biggest thermal power station in India. Where the students grab the opportunity to watch from importing of raw material to converting in to final goods entire process of generating electricity. Entire trip was very worth full for learning perspective students.

These trip was co-ordinated by Dr. Taral Patel,Ms. Vaishali Pillai,Mr.Zaki Shekh, Mr Vivek Ayre and Ms. Bhavna Patel.
