NSS Unit of Uka Tarsadia University & B.V. Patel Institute of Management were organized Thalassemia Screening Camp in the campus in association with Red Cross Society Ahmadabad on the occasion of Birthday Anniversary of beloved Donar Shri B U Patel of Uka Tarsadia University on 14-10-2022. The NSS Unit planned and organized this event and to their surprise the response was huge. Many students voluntarily came up to Check up . Many checkups for blood pressure and other tests were conducted by the doctors. Directors and deans of Various department, NSS Programme officers and NSS Volunteers were there with their gracious presence in the camp which started at 9.30 A.M and went up to 2.00 P.M. Group of genetic inherited disorders of the blood. More specifically, it is a disorder of the hemoglobin molecule inside the red blood cells. It is an inherited genetic that is passed from parents to children through passed on from one individual to another by persona transfusion, food or air. Total 74 Students registered themselves to participate in the drive from B.V. Patel Institute of Management Programme. Refreshments were provided to the students who were part of the camp.
