An Expert Talk was organized by B. V. Patel Institute of Management, Uka Tarsadia University on 29th March, 2023 from 10:30 am to 11:30 am at J D Hall, for the students of management and commerce.

During the session, Mr. Tushar Goyani, an expert in government exams, enlightened the students about various posts available in government organizations and their respective roles and responsibilities. He emphasized the importance of understanding the paper patterns and question formats for different exams such as IAS, IPS, and other government exams.

Mr. Goyani informed the students about the compulsory subjects which are asked in government exams, and motivated them by giving examples of famous personalities like Tina Dabi and Kiran Bedi who hold government posts. He also cited examples of people who

came from a very poor background but their knowledge and hard work helped them achieve their dreams.

Mr. Goyani briefed the students about various steps a candidate needs to go through before the final selection, such as preliminary exams, main exams, and interviews. He also explained the importance of being aware of the current affairs and general knowledge to crack government exams.

Furthermore, Mr. Goyani explained the students about various other exams such as TET, TAT, HTAT, Police, etc. He also explained the areas to work on for specific exams, such as the physical condition for selection in the police.

Overall, the session conducted by Mr. Tushar Goyani was very informative and motivating for the students who aspire to work in the government sector. His guidance and expertise in the field of government exams provided the students with valuable insights, which will help them in their preparation and increase their chances of cracking these exams.

The session was concluded with the expert answering to the curiosity of the student on various aspects of competitive exams. The expert was able to have a highly engaging address and enlightened the students through his experience sharing.

Points discussed:

- UPSC: Total marks and qualification required to apply for the UPSC and timing for preparation required.
- GPSC 1, 2 and class 3 examination.
- IAS- Different ranks available and their post with salaries as well power to control state.
- IPS, IFS, IRS: introduction and the paper format rules and regulations and passing criteria for the exams their responsibilities to serve the country.
