**Day-5(15/09/2023)**

**Session 1 (Human Values and Ethics)**

The session on “Human Values and Ethics” was conducted by Dr. Rutvi Vaidya. She has drawn attention towards the problems and challenges in the life that are there in front of us at the levels of individual, family, society and nature. The session emphasis on the issues related to our happiness, our welfare, our aspirations, our goals and success in life.

**Session 2 (Heath (Mental Health)-Everything is fine)**

In this session based on “Mental Health-Everything is fine” conducted by Dr. Sujit Vasava explained that Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, act, and helps determine how we handle stress, relate to others, and make choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood. Over the course of your life, if you experience mental health problems, thinking, mood, and behaviour could be affected.
