2018-19

Annual Report

A Constituent Institute of

Uka Tarsadia University

Director's Message

It is my pleasure and great privilege in presenting the Annual Report 2018-19 of B.V. Patel Institute of Management, documenting its developments and achievements. The Institute has a philosophy of ensuring an academic ecosystem that is conducive for intellectual growth in faculty and students coupled with a practical orientation to remain relevant for the industry-need and a holistic approach in students' character development. It also inculcates in its people a sense of appreciation for Indian culture and tradition.

We focus more on a professional approach to entrepreneurship utilizing the advantages of information era and modern tools and techniques. Scope is now expanded to many other innovative programs such as critical thinking, innovation management, start up and earn while learns etc. These newly introduced novel courses thus are hoped to change the scenario of the educated from job seekers to job givers. Then only the industrial and economic progress of the country would rise and lead to the quality life.

The educational needs of the students are now become more than just providing information, knowledge and their memory capacity of knowledge. We need to impart specialized training, psychomotor and practical skills along with critical thinking, problem solving skills and capacity building etc.

This annual report compiled out of facts, figures and achievements of our team work.

Our every decision must be with an eye towards the future. Today's institute is a microcosm of the world with all its demographic, ethnic, cultural and economical diversity. Our commitment must be to the institute's and university's long term core values. With that strong sense of purpose and determination, we will a stronger institute in the years ahead. The events and accomplishments of this year reflect our ongoing commitment to make the institute better to future generation.

We, at BVIPM, take a conscientious approach to remain relevant to the skill need of the modern business era in the ever dynamic environment. Needless to say that cohesive participation and concerted efforts by the faculty, students, staff, alumni, industry and institutional partners and all the other stakeholders have made it possible for us to highlight our success stories. We strongly believe in identifying specific skill needs of business and accordingly taking an innovative approach to inculcate those skills in students. We also encourage and support students to take up entrepreneurial ventures.

I thank the management for the continuous support for gracing the institute during this year and for their keen interest in the day-to-day activities. Also, I thank all the faculty members and staff who furnished the details for the contents of this voluminous Report.

Let us all strive and work together to build up this institution into a model institute of repute.

Dr. Vijay Gondaliya
(I/c. Director)

Institute had provided foreign learning exposure to students by took those different foreign places for visit like, Dubai, Singapore, Malaysia, Turkey, Egypt etc.

B.V Patel is always proud on its dedicated and hardworking faculties, who are constantly upgrading themselves to match with demands from students and industry. The members of the faculties attended seminars and workshops outside the college. Our students had actively

participated in the questionnaire preparation workshop, application writing, Focused group discussion and many more. Outbound training program was also conducted for students.

To bridge the gap between practical knowledge and theoretical knowledge, institute has organized various session from industry people on the different topics like Digital marketing, Multimedia and design Career planning, memory power, Cancer awareness, leadership from “Bhagvad Geeta”, opportunities in wealth management, Entrepreneurship development program in USA, campus placement session, etc. Apart from placement our students were also got an opportunity for internship in various reputed companies.

The syllabus was finished on time according to the planned teaching schedule as well as all CIE worked on time in both semesters. The attendance has been above 80% throughout the year. All academic programs finished on time.

Apart from academic activities institute always concern for the holistic growth of the students. For this purpose, institute has set up various clubs and committees. The extra-curricular activities were executed and managed by committees and clubs formed for the purpose. Nil incidences of ragging and sexual harassment were reported during the academic year 2018-19.

All these achievements were possible because of the commitment of all concerned, the BPKM trust, the university office bearers, Teaching staff, non-teaching staff and the students. Specially thanks to Shri Kiritbhai Patel –Vice president-UTU, Dr. D.R Shah-Provost-UTU for their constant support and encouragement to do innovation and creativity for the institute.

CHAPTER – I

Curricular Aspects

- 1.1. Program Offered
- 1.2. Institutes at a ‘Glance’
- 1.3. Course structure during the Year
- 1.4. Student’s Feedback Analysis

The UGC has identified teaching-learning, research, extension services, corporate activities and consultancy as the five major areas where teachers must contribute. The first in the list are teaching-learning which, as a criterion in the NAAC list, carries substantial weighting. Teaching-learning is woven around a curriculum in any institution.

B V Patel Institute of Management has on offer BBA (Bachelor of Business Administration) undergraduate programs. The institute offer this program under the Choice Based Credit System introduced with effect from the academic year 2015-16 and mandatory coursework put in place admitted and both these have brought a qualitative change vis-s-vis these programs.

Our effort has been to use the core courses for imparting training to students in a board area of the subject-discipline focusing on its essential core, offering basic professional knowledge, skills, entrepreneurial etc., to develop a scholastic overview of the subject. Through elective courses our aim is to impart intellectual training necessary for a highly specialized range of abilities required on the specialization concerned to blossom. We have merged the project, practical assignment, group task, and soft skill courses into a full-length paper beginning the year under review. This project component affords us the opportunity of coxing our students to be self-reliant in matters of academic work by making these strictly learner-centered, and the soft skills component to impart training in ICT, life enrichment, academic writing, critical thinking and problem-solving abilities.

Features of Curricular aspects at B.V. Patel Institute:

- Semester system
- Choice based credit system
- Continuous internal evaluation system
- Practical and group assignment
- Field Project
- Transparency in evaluation
- Transfer Opportunities to higher degrees Programs

The Institute takes care to update its curricula after completion of each cycle of academic program. Students derive benefits from a well thought-out curriculum accounting for the latest development in a chosen field of specialization. Thus, we are able to give our learners the benefit

of the new developments in a specific subject-discipline. Periodic revision of courses every three years is among our best practices.

The syllabi and related activities are recommended by representative, Board of Studies to the higher academic bodies of the university such as Academic Council and Board of Management.

1.2. Institutes at a ‘Glance’

B. V. Patel Institute of Business Management and Information Technology

The Institute owes its existence to the inspiration of renowned philanthropist Late Shri Bhulabhai Vanmalibhai Patel, fondly known as Bhula Dada among students and staff of the Institute. Late Shri Bhula Dada who was an astute and highly successful business person in USA came back to his village and started philanthropic activities. Till date, he has patronised over 40 organizations ranging from education to health care to welfare trusts. Bhula Dada has showered his love and affection on our Institute. Not only he helped us on regular basis, but he also ensures that we remain committed to our goal of providing holistic education with emphasis on value education.

The institute offers best in terms of infrastructure with ergonomically designed auditorium, seminar hall and classrooms; all equipped with computer and modern teaching aids. The great learning environment is matched by state-of-the-art infrastructure in terms of technologically equipped classroom, wi-fi campus with the speed of 512 MBPS, computer lab with latest software, rich library and other facilities.

Our curricula offer a wide range of exciting electives and core courses. Here 3-D learning environment of dialogue, discussion and discourse groom students for life. Unique blend of theories with field experiences, industrial visits, expert talks, enough occasions of fun and frolic

coupled with nurturing of health and soul quotients provides a holistic education. Meticulously planned teaching schedule and calendar of activities create unbounded opportunities to express leadership, creativity and other multiple talents. The robust involvement of professionally qualified faculties and attention to details with ample human quotient enable the newbies to rise and move ahead with acquired competencies and confidence. Our academic program act as a gateway for higher education in India and abroad. That is, we open the path to move from local roots to global routes.

Our students have turned out to become successful entrepreneurs and executives. At B.V. Patel Institute, we offer comprehensive and holistic education in all the courses. Our curricula and co-curricular activities are designed in a way to foster multi-disciplinary approach among the students. This approach ensures that our students are never stuck up in narrow confines of specialisation. We keep on changing the curricula to meet the demands of the market and society. The thrust on contemporary knowledge is the core of all our activities and this is what keeps us on our toes all the time. The consistent high result of our Institute stands testimony to constant innovation and hard work.

- Staff always shows concern for students' wellbeing and encouraged them to participate in the various events in different management event its having standard deviation value of 0.68 was good sign for institution.
- Students were enjoyed a lot in industrial visit and picnic program organized by institution.
- Overall augmentation was founded in students when they join the institution and at the time of leaving in presentation skills, language fluency, and Management skills with Avg. value and Std. of 3.2 & 0.75 respectively.
- Feedback point having high value of satisfaction on value based learning in the institution with value of 3.18 & 0.72 for Avg. and Std.

Critical Evaluation Points:-

- Students want number of more practical learning in the pedagogy where they can get participative learning.
- High value of 1.23 Std. was assigned for internal evaluation process where students require more fairness in marking.
- Based on parameters value students expecting more follow-up from the side of faculty.
- Expecting more international expert session by institution for global learning exposure.

If the evaluation were considered based on overall rating point high level of satisfaction were founded by students for the 3 year graduation period and they expecting more learning in future if it is possible through the continuous knowledge sharing process by institution.

Our endeavor in B.V. Patel Institute of Business Management, Computer & Information Technology has been to ensure a certain awakening and enlightenment in the process of teaching-learning. Our aim is to offer comprehensive and holistic education. We want to bring world-class education facilities to the doorstep of this rural and tribal belt. **We BVPian believes in “The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education”- Martin Luther King, Jr.**

Teaching for us is a tool to trigger change in a person’s behavior towards potential situation in hand, manifesting itself in conduct reflecting an attitude, knowledge, better understanding, appreciation etc. The education required was of the kind that would help shape character and conducted by empowering learners from rural areas to be self-reliant and capable of self-employment rather than employment-seeking citizens.

We have been able to put in a transparent and accountable system of evaluation and compilation of results; speedy and confidential assessment by examiners. After completion of examination and assessment as a part of transparent system we show answer book to students, so they can understand where need to improve and marks calculations, if any grievances on-the-spot verification of marked answer scripts by any students and modified it. All this has led to stress-free examinations and timely declaration of results.

Semester	Classes Conducted (Excluding Other Activities)	Working Days (Including All activities)
Odd Semester	110	136
Even Semester	115	140

The academic calendar of institute is prepared and announced well in advance. Alternative teaching arrangements are always made of the teachers, if a teacher is on leave. Teachers mark the presence of the students in each lecture every day. Normally each teacher is available in the department at least for eight hours a day, irrespective of his/her lecture schedule on that given day.

2.2. ADMISSIONS

Complete transparency in admissions and evaluation, efficient use of time, a student-friendly approach, special provisions for students from weaker sections like SC, ST, SEBC, physically/visually handicapped etc.

We try to work with precision of clock and are, therefore, regular in all aspects of the teaching-learning process. The admission process is set in motion once a thoroughly updated prospectus containing an application form is ready. This is designed to introduce to the institute, highlighting the details of the admission process to guide them in choosing the right academic programs for them. Institute has all type brochure containing details of the programs and courses offered, facilities available, names of the entire faculty with their specializations clearly indicated, the achievements of the department and its future plans. Any applicant who wishes to know more has the option of contacting the institute with free guidance and counseling before he/she applies for admission to it. The institute issues an official notification in mid-May every year and then gets this published in newspapers with large circulation.

Institute has an admission committee, usually with the head as the convener, entrusted with the task of finalizing admissions. The committee has the brief of ensuring that admissions are granted after verifying the details of candidates. The academic calendars are ready by the time the admissions are over, and these are then displayed on the notice board of the institute, which is how we are able to begin teaching immediately thereafter.

2.4. Evaluation

The examination section, in consultation with the university-departments draws up an annual plan for holding semester/annual examinations at the beginning of any academic year. This plan is followed meticulously and results are announced well in time. Each of the Papers has a total weight of 100 marks with 60% set aside for university through final qualifying examinations and 40% for continuous internal assessment consisting of tests, seminars and quizzes. Thus, the examinations in the university comprise of two components: external and internal evaluation.

Performance of students in respective subject is based on Letter Grading System which comprise of Continuous Internal Evaluations (CIE) and End Semester Evaluation (ESE). In order to clear that subject, a student need to secure minimum of 40% score in CIE and ESE considered together for BBA and B.Com (CA) and for M.Com minimum of 50% score in CIE and ESE considered together. Theory Paper for ESE would be of 3 hours duration for a theory subject and practical examination for 2 hours duration for each batch.

There have been provisions made for students by faculty for unit-wise questions to facilities the students preparing for examination. The question set usually requires a reasonable amount of knowledge and skills pertaining to a course in a given unit from a student. We have a transparent system of allowing the students to see their scripts after every internal test and the examiner concerned takes time to discuss with his/her students the nitty-gritty of evaluation.

CIE for theory subject would be done based on following guidelines:

Guidelines for 4 Credit Subjects:

Evaluation Parameter	Frequency X Marks	Duration of Each	Weightage	Tentative Week	Remarks
Internal Examination	2 X 50	2 hrs.	8 X 2 = 16	6 th week 12 th week	Covers Unit 1 to 3 Covers Unit 4 to 6
Case Study / Practical Assignment*	1 X 20	In a semester 5 Hours	10	Issue in 2 nd Week	Minimum 20 days time to Submit and then Viva or Presentation
Class Test / Quiz	2 X 20	45 Min	4 X 2 = 8	3-4 week 8-9 week	Covers Unit 1 & 2 Covers Unit 4 & 5
Subject Specific Assignment	3 X 10	1 hours	06	2 nd week 5 th week 8 th week	After every assignments discussion and review with students
			40		

Guidelines for 2 Credit Subjects:

Evaluation Parameter	Frequency X Marks	Duration of Each	Weightage	Tentative Week	Remarks
Internal Examination	2 X 50	2 hrs.	4 X 2 = 08	6 th week 12 th week	Covers Unit 1 to 3 Covers Unit 4 to 6
Case Study / Practical Assignment*	1 X 20	In a semester 5 Hours	05	Issue in 2 nd Week	Minimum 20 days time to Submit and then Viva or Presentation
Class Test / Quiz	1 X 20	45 Min	04	3-4 week 8-9 week	Covers Unit 1 & 2 Covers Unit 4 & 5
Subject Specific Assignment	2 X 10	1 hours	03	2 nd week 7 th week	After every assignments discussion and review with students
			20		

* Assignment related to field work, mini project, presentation, field work, etc. Practical assignment would be evaluated based on written report and presentation / viva voce of the same. Practical assignment carried out in a group of 3 students.

Parameter Guideline**1. Internal Examination - for III, IV, V and VI semesters**

CHAPTER – III

Research, Consultancy and Extension

- 1.1. Research Publication by the Teachers
- 1.2. Research Projects
- 1.3. Academic Programme Participated by Faculties
- 1.4. Lecture Delivered
- 1.5. Extension Activity

Research continues to be a very significant activity in this University since faculty members are active, committed and dedicated to research and development of their respective field. We have received recognition time and again from the public sector and private sector in terms of grants and publications. We understand the worth of research carried out in the university and this has helped the university departments and institutes to identify and define their thrust areas for themselves as well.

A very important aspect of our research effort is a strong collaborative research program. The faculties have succeeded in developing collaborative research with academics in India and abroad resulting in the publication of joint research papers, operating collaborative research projects, joint organization of various academic programs, faculty visits and so on.

The university has, as a matter of a healthy practice, been encouraging its faculty to undertake research by granting them duty leave, Study leave etc, besides sending them on deputation, making financial support available to them for participation in conferences, Seminars Workshops, Summer and Winter Schools. Besides the unassigned UGC grants, the university has made provision to finance research activities from its Self-financed Funds. This enables the faculty to participate very enthusiastically in academic activities, besides giving invited talks.

What Student's Say about Institute

	<p>Vivek Bhakta: Life as a college student is awesome. Our college always tries to conduct activities which make us experience new learning system. We always celebrate all functions and festivals so energetically and give us a holistic development.</p>
	<p>Mohini Bhadamia: Life at B.V. Patel Institute is full of experiences thrills, enjoyment and learning. Apart from studies there are so many extra – curricular activities being organized. From this year we have provided by soft skill sessions for all third year and masters students. All I can say that it is a package of fun, learning, difficulties, coping up with unexpected coming out with flying colors.</p>
	<p>Yashi Joshi My words for hub of knowledge, my B.V. Patel institute of Management “My source of utter growth and skills, it is ultimate resource which allowed me to enhance my abilities and power. The golden tenure of 3 years teaches me to grow and care like never before. I would surely serve back to this indefinable palace of happiness. Proud to be BVPiam. ”</p>
 Shubham Shah	<p>If I share the experience on 3 years in the college the first thing strikes in my mind is my decision to join this college for study in BBA. After the completion of my graduation I think that my choice was the most appropriate and the best. It s amazing to be here because everything – beginning from infrastructure, food court in fact the whole campus is word class and full of positive vibration. In addition, the faculty, course content, practical activities meet with recent demand of the world. The faculties are friend, philosopher to the students leading them to the right direction. Dr. Vijay Sir, Director is the most energetic and enthusiastic and believes in holistic development of the students.</p>
 Kajal Bhojawala	<p>The B.V Patel Institute offered me diverse knowledge and education in the field of Management. I learned a lot from the institute's holistic approach of teaching students. The course offered us a comprehensive bunch of subject prerequisite for Business and Management. The faculties helped to synthesize the theoretical knowledge to the real world with their expertise. Along with that, practical assignments helped us to understand how businesses are operated. One of the best parts is co-curricular activities; sports, music, art,</p>

	etc. which helped us to bring our hidden talent forward and to explore more in it. In short these three years provided myriad opportunities to showcase my academic as well as artistic talent and opened a new horizon before me.
 Sonu Sharma	<p>My journey at B. V. Patel Institute of Management was “EXCELLENT”. The kind of exposure that we were provided has substantially added to our knowledge and capabilities. I have grown as a person, both professionally and personally. The practical based teaching methodology has empowered me with real world knowledge. The support and guidance from faculties have introduced to me something novel which I could not have identified yet. The expert talks and sessions have enriched my perspective to the existing and will be existent. A new vista of abilities and capabilities is open before me, which made me more determine and knowledge oriented. I am privileged to be awarded with title “STUDENT of the YEAR” which was a comprehensive essence of the efforts of the director, faculties and me.</p>
 Kunj Balar	<p>I would like to share my college experience and my learning. These 3 auspicious years of my life has been a continuous learning experience about different aspects of my life. From here, I have learnt how to step outside of my comfort zone. It taught me to make learning as a profession. My achievements were possible only because of the encouragement and support of faculties, staff members and other administrators. I have learnt how to become assertiveness and initiation has become part of my personality during this period. In short, I would say that what each and every student searches for his better and successful career in a particular college, I have got all this under a single roof.</p>
 Naznin Shaikh	<p>This learning period has brought out a different person in me as I have been constantly improved throughout. One can find ample opportunities for curricular and co-curricular knowledge and skills. It has provided me with chances for anchoring, developing interpersonal skills and learning from practical aspects. CIE criteria acted as stress reliever for final examination because it covers each of the preparation for final.</p>

	Enthusiastic supportive, inspirational and knowledgeable director and faculty have and me what I am TODAY .
 <p>Gaurav Bafna</p>	I am glad to be a part of this Institute. In 3 years, I have developed my Interpersonal skills, Communication skills and way to think and take decisions in every situation. Our Director and the faculties have played a crucial role in developing my skills and knowledge. They have also helped me in every situation and encouraged me not in just in academic terms but also in cultural events.
 <p>Mahima Patel</p>	It has been a great experience to be a part of Institute. It has given me an astonishing platform to enrich my knowledge and overall growth. The director and faculty members are very helpful and supportive. They have guided me at every point and encouraged me to face new challenges with confidence. The campus infrastructure is something that boosts the energy of students.
 <p>Tanvee Panchal</p>	The college experience has changed me in to a different person. I have learnt to be more responsible, when it comes down to getting work done. More importantly, I've learnt to bear enough pressure that would help me to be quite strong in the work place. It has also changed my attitude. Moving from high school to college was a big step, the college has made me successful in realising my potential. It has provided me with the resources that helped me to make best out of me. Lastly, B.V. Patel Institute has given me the best college experience.
 <p>Shailendra Prajapati</p>	It has been an amazing experience to be a part of the institute. It has given me a safe, professional and friendly learning environment, high quality teaching, assessment and management of learning, regular and reliable feedback on student progress and achievements. The faculty members are very helpful and supportive for any activity regarding study. Exceptional teaching learning mythology is the core of the institute. The university is well equipped with good infrastructure like, classroom, administrative staff, library etc. Environment is very healthy and conclusive for any activity.”
