**Session on Bringing Academic English into Professional life**

A session on 'Bringing Academic English in Professional life' was organized by department of English of UKA TARSADIA UNIVERSITY on 20<sup>th</sup> February 2018 with the objective of enabling students to realize the importance of academic English and inculcate the use of academic English into Professional life. 24 students from B.V Patel Institute of B.M.C & I.T participated in this workshop which provided them with an opportunity to develop their skills and encounter the practical implications of theory studied so far.

The speaker for the session was Mr. Pawan Dwivedi, Deputy Registrar, Parul University he is a well known speaker who had addressed more than 3 lakh Industry Association, Management association, MNCs, NGOs, Religious and community Centre, universities and more.

Being good at human relationships and Mythology he made the students involved in the discussion throughout the session through his actions of sharing events.

The session was divided into 2 parts

In the 1<sup>st</sup> half of the session he convey the students regarding the skills helps an individual to find greatness within. He connected with the students through his relevant examples and began with the example of emperors sharing how they succeeded or failed on the basis of their understanding and adaptability of prevailing requirements.

He highlighted many concepts which need to be adopted and helps in finding potential within one self. These are as follows:

1. Don't concentrate on weakness, do concentrate on strengths.
2. Estimate your weakness by partnering with others.
3. Don't compare yourself with others but do approach people you inspire you.
4. Use failure as motivation.
5. Now is a time of pop-up engagement, leadership success.

Through this he helped to students to develop a better perception

Through practical examples of corporate he conveyed how important is it to move with time and adopt change around, being flexible. He even shared the future employment opportunity in various sectors including Defense, Banking, Game/Music, Forest and Aviation.

In the 2<sup>nd</sup> half of session he discussed about the importance of Interpersonal communication skills @ market perspective, he shared about current market scenario and highlighted the importance of fluent communication especially in English. He began with discussing the importance of vocabulary for communication.

He continued with various synonyms andonyms of frequently used words and shared how common words differ in meaning and taught the correct usage of correct word. He even discussed various which can be used to learn and understand the meaning of words using suffix and prefix.

The session was very useful to the students improving the understanding of words and language along with a new better perception. It was an interesting session promoting learning attitude and surely initiated a positive change.
