Students Participated in STRACTICAL-2019

Students of B.V. Patel Institute of Management took part in **STRACTICAL**–2019 Inter College Management Competition organized by S. R. Luthra Institute of Management, Surat on 16th February, 2019. Students were participated in Business Plan Competition. They are showing their talents and skill in that competition. It is brilliant experience for students to learn new management theory and good team work, Entrepreneur Skill.

In the first round one team of the institute qualified for second and final round. Final round held on 2nd March, 2019. Overall experience of student was nice. Students got opportunity to learn so many things.

The final round had quite tough competition which was evaluated by the judges, Dr. Jitendra Ajmeri and Mr. Chirag Patel. The selected team from the institute was under the guidance of Ms. Vaishnavi Patel, the founder of Express ION who was allotted as the mentor. It was much fruitful experience during the entire mentoring period where we boosted up much of our business related knowledge. The mentor was always available to help us everytime for all the aspects.

Though, our team did not achieve the rank but, overall it was quite learning based platform. Also, the entire management team for the event organisation was much effective. One of the appreciable thing in the event was that each and every individual and volunteers contributing towards the event got much of recognition among the mass.

This experience surely going to help them in enhancing management skill.
