### **Faculty Interaction Session**

Faculty of B.V. Patel Institute of Management interacts with Dr. Mahesh Abale. In the beginning, Dr. Mahesh Abale introduces their self and afterwards all faculties introduce them. He is recognized as a Ph.D guide from university of Pune and guided 6 Ph.D students were guided. He has total 17 years of teaching experience.

After introduction session, he told about their journey in academic and how he handle different situation throughout their life. He discuss about importance of research in academics and how to do research in different field. He also focuses on competitive exams & importance of Ph. D in academics and how it is proceeds.

The session was very healthy where faculties ask different question regarding academic development, lesson planning, and different methodology of teaching. He replies with good examples of each question.

The whole session was very interesting and worth to attend.
