Session on ‘Goal – Lead the Life’

On 26th November 2018 B.V. Patel Institute of Business Management, has arranged a session on Goal – Lead the Life as a part of skill development programme. The session was on the introduction and importance of goal. Faculties of management had delivered the session by showing various videos and sharing examples and stories of Arjuna and Eklavya as well as interacted with students. The session was very helpful for the students for understading the goal, SMART goal, its process and obstacles and how to over come the same. There were some activities which successfully grab the attenstion of students and making the understading easy.
