“An Expert Talk on Career Path and Employability” by, *Dr. Arvind Agrawal*

B.V. Patel Institute of Management, Uka Tarsadia University had organized an expert talk on Career Path by ‘Dr. Arvind Agrawal’ with a view to contribute towards students’ development and have a bright future in their career.

It all began with real life story as an example of youth facing language barrier which could be majorly classified as an unstructured problem. The main crux of the session was “Employability – Unstructured Crisis Strategic Solution” where real life problems were discussed which are faced by not one, but many differently due to several reasons. The speaker suggests to keep mind open and learn things practically rather than being only studios.

We also went through a video based learning clearing the concept of ‘Framework’ with a city road map. Also, practical learning was emphasized with the phrase ‘learning by doing’. According to him, the road map for dealing with problems involves: Surrounding; Develop scalable, authentic and pragmatic solutions and get into the in-depth story.

The focus was on the ‘Peer Training Programme’ seeing it as a good career prospect with the help of 4Q framework. He influenced to remain action oriented to get inspired and emphasized on to reading stuffs to improve communication skills.

The session was concluded with the three drives to be courageous, open minded and have optimistic believes for a bright future.
