Guru Purnima Celebration

The students of B.V. Patel Institute of Management had organized a cultural event to celebrate an auspicious occasion of 'Guru Purnima' under the Cultural Club of Institute. All the students of BBA actively participated in managing the activities and made the event go successful. The students managed everything within three days by coordinating with each other. Also, freshers to the institute, i.e. First year students gave much positive contribution actively coordinating and cooperating for the arrangements. All the representatives of the class created the communication channels and discussed together in the held meetings when called for.

The celebration started with a short introduction of the day and a speech which was followed by a sweet poem recitation by a first year student. Then the students heartily gifted the token of love to the respected teachers. And then, everyone dispersed after cake-cutting and photography session.

Overall, the session went quite smooth enough and successfully pleased and satisfied our gurus.
