Webinar on “HR System in Today’s World”

B. V. Patel Institute of Management organized a webinar on “HR System in Today’s World ” by Mr. Hardik Kabariya through Google meet for the students of Final year BBA (H.R). In total 40 students were participated and they were provided an opportunity to be a part of this webinar and were encouraged for participative communication during the webinar. A creative learning technique using visual modes was adopted in order to enhance the understanding of the students encouraging quick and easy adaptation while learning. The webinar was well structured and effectively presented. It involved presentation of aspects in consideration to the events, which evolves around economy. The webinar enabled the students to learn from any situation and analyzing that situation.

Points discussed from the webinar are as follows:

- HR system in today’s world focus on inventory system.
- Organization should focus on creativity in maintaining records.
- Meeting should be arranged on frequent basis, meeting management system.
- Organization should follow proper code of conduct also data protection system
- Effective cost cutting planning system should be developed.
- Work check list should be implemented.
- Effective reporting system should be developed.
