

## B.V. Patel Institute of Management, Uka Tarsadia University

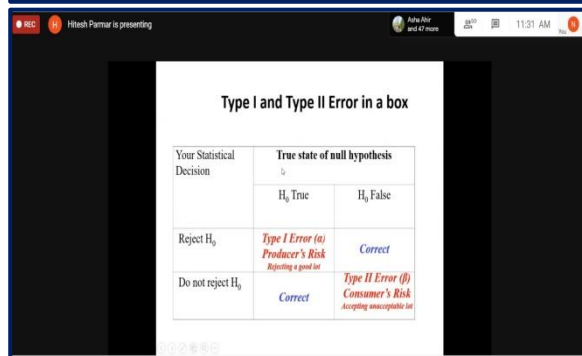

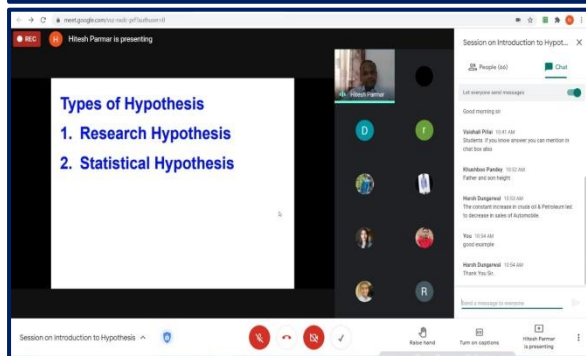

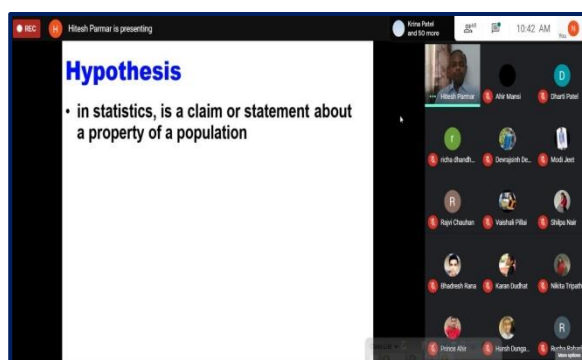

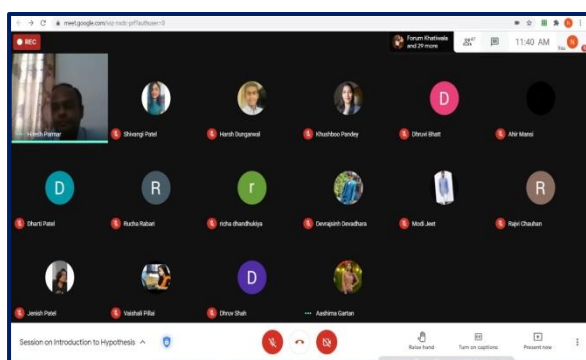

Date: 19/05/2021

### Webinar on Introduction to Hypothesis

A Webinar on Introduction to Hypothesis was organized for SYBBA students. Total 68 students attended the session. The guest speaker of the session was Dr. Hitesh Parmar. He has more than 15 years of postgraduate teaching experience and taught subjects like Quantitative Methods, Operation Research, Marketing Research, Logistic and Supply Chain Management.

Mr. Nisarg Shah, Co-ordinator of the session gave the Introduction speech of the resource person. Afterwards the session started with the basics of hypothesis and then various topics covered such as null and alternative hypothesis, types of hypothesis, one tail test & two tail test and rejection area, type I and II error, hypothesis testing procedure etc.

In the session some basic knowledge about parametric test is also given such as when to use parametric test and non-parametric test, various tests used (Z test, T test, F Test) and its importance.

Students also solve their queries by asking questions. Overall session was very informative and understanding. At last, Ms. Vaishali Pillai acknowledged with a thank you speech.
