On July 18, 2023, our BBA students had the privilege of interacting with students from the Egypt through AIESEC-UTU and Surat Chapter. The session aimed to facilitate cultural exchange, share knowledge, and explore potential collaboration opportunities.

The session began with introductions and icebreaker activities, allowing students to get acquainted with each other. The Egypt students presented an overview of their university and country, showcasing their culture, education system, and entrepreneurial ecosystem.

Our BBA students reciprocated by sharing information about our institution, curriculum, and startup landscape in our region. The students engaged in a fruitful discussion on various topics, including entrepreneurship, innovation, and sustainability.

Key Takeaways:

- The session fostered cross-cultural understanding and exchange of ideas between the students.

- The students gained insights into the different educational systems and entrepreneurial environments in Egypt and our region.
- The interaction sparked interest in potential collaboration opportunities, including joint projects and exchange programs.

The session was a resounding success, providing a valuable platform for cultural exchange and knowledge sharing between the students. We look forward to exploring future collaboration opportunities.
