The B. V. Patel Institute of Management at Uka Tarsadia University held a session on "Career Counseling - How to Select Higher Education Institutions for Master Programme after BBA" for the students in their final year on April 09, 2024 from 09:30 to 11:30 in the Gopal Bhavan Auditorium.

The students receive guidance on how to choose between postgraduate institutions in India and other countries. Dr. Krunal Patel has presented a discussion on the various considerations that need to be taken into account when choosing a higher education institution for postgraduate study in India or elsewhere. Additionally, she mentioned the advantages of obtaining an education in a foreign country after obtaining an MBA in India.

Dr. Krunal Patel elaborated further on the positive aspects associated with attending Uka Tarsadia University. She has provided some examples of the challenges that students face when attempting to get admission to other institutions.
