- Distributing token of love

**Program outcomes:** The third-year students would reminisce the time they have spent in institute.

The farewell party 2024 was indeed one of the most awaited events for third year students. The farewell party was organized by SY and FY students for TY BBA students to provide a memorable send-off. Along with the director Dr. Vijay Gondaliya, all faculty members, all FY and SY students came together to bid farewell to graduating students.

To create a lively atmosphere SY students had planned games for graduating students, and they all enjoyed playing the game. The afternoon continued with heartfelt speeches by third year students, expressing gratitude, reminiscing about experiences, and offering words of encouragement to other students. These emotional farewells set the tone for the rest of the event, evoking a sense of nostalgia and camaraderie.

As the afternoon passed by, TY students took a trip down to memory lane, with the videos prepared for them. As a token of love, all FY and SY students have given a gift to their seniors. The farewell party for graduate students was a resounding success, encapsulating the spirit of unity, appreciation, and celebration. It provided a fitting farewell for the departing graduates, leaving them with cherished memories and well-wishes for the future. As they embark on new adventures, the bonds forged during their time at the institution will continue to resonate, serving as a reminder of their enduring connection to the alma mater.
