Time	12:15 pm to 1:45 pm
Venue:	Ashram Shala at Goji Village
Participants	18 Male + 22 Female + 3 Staff
Class:	NSS Volunteers (BBA, B.Com and MBA)
Coordinator:	Dr. Divya Gadaria, NSS Programme Officer, Dr. Taral Patel and Ms. Arpita Vyas (NSS Coordinators)
Category	NSS Club

To celebrate Teacher's Day Month by giving back to the community and spreading the importance of education, our NSS students decided to visit Goji Village and distribute stationery kits to the students of Ashram Shala who need proper education materials. Before the event, a planning committee was formed consisting of NSS student volunteers, faculty advisors, and coordinators. The committee worked diligently to organize the logistics and gather the necessary stationery items. NSS students and faculty members collected stationery items such as notebooks, pencils, erasers, sharpeners, crayon colors, and geometry sets. The collection was done through donations from fellow students and fundraising efforts. On September 13th, 2023, a group of 40 NSS students along with faculty members and coordinators embarked on a trip to Goji Village.

The village was selected because of its remote location and the presence of Ashramshala, where many underprivileged children reside. At the Ashramshala, our NSS students

interacted with the students from standards 1 to 8, who are staying away from home due to their pursuit of education. More than 170 students were provided with a stationery kit, which was distributed personally by our students.

Our NSS volunteers did more than just hand out supplies; they also led engaging discussions with the kids. To motivate and encourage these children these programmes contained talks, stories, and mini lessons. Students at Ashram Shala were ecstatic to receive stationery packs, and their excitement in schoolwork shone through. Our school's BBA, B. Com, and MBA NSS members are dedicated to making a positive difference in the world. The value of education for youngsters from disadvantaged backgrounds was highlighted during this celebration of educators. We feel that these kinds of activities deepen our ties to the neighbourhood and instil in our kids a feeling of civic duty.
