

# Shrimad Rajchandra Institute of Management and Computer Application B.V. Patel Institute of Computer Science

<b>Event Name:</b> Freshers Party	
<b>Venue:</b> P.T.Hall	<b>Date:</b> 03/11/2023
<b>Event Coordinator:</b> Ms. Poonam Godhwani & Dr. Ronak Patel	

From the moment the students are admitted to the college, all the students eagerly anticipate the most memorable event of their college life – the 'FRESHER'S PARTY.' On November 03, 2023, this day became a cherished memory for all the newcomers of the 2023-24 academic batch at SRIMCA. The Fresher's Day overflowed with enthusiasm, delight, music, laughter, and happiness.

This is the day when seniors and juniors come together to celebrate their shared college experience, forging bonds between them. The students received a warm welcome filled with enthusiasm, courtesy of the college's student council group.

The event includes Dancing, Singing, Drama, Stand-Up Comedy, and the main highlight, the Mr. & Ms. Fresher's competition. At SRIMCA, students never pass up an opportunity to seek blessings and guidance, and as a symbolic gesture, they initiated the event with a Ganesh Vandana dance performance, believing that Lord Ganesha clears obstacles and paves the way for their journey. This was followed by captivating performances, including solo dances, dance battles, and group dances."
