Date: 27/7/2024

Date of Event	27/7/2024
Venue	Matiya Patidar Ayurvedic Hospital
Time	9:00 to 11:00
Total No. of Participants	25 students of SY and TY BBA
Expert Name	-
Event Coordinator	Dr. Taral Patel and Mr. Zaki shaikh
Event Category	NSS Management Unit
Program objective	To enhance social and community responsibility of students towards Society.
Program outcomes	Students motivated and together the community in a collective effort to help save lives.

On the occasion of the death anniversary of Shri Naranj Bhakta, a Blood Donation Camp was organized by on 23rd July 2024 by the students of NSS club of University as a tribute to his legacy of compassion and service to humanity.

The event was held at Matiya Patidar Ayurvedic Hospital at Uka Tarsadia University where students, faculty members, and volunteers gathered to contribute to this noble cause. The camp aimed to collect blood donations to support local blood banks and provide life-saving resources to those in need. The response from the students was overwhelming, with over 25

of SY and TY BBA donated their blood on the occasion. Many first-time donors were encouraged and guided by experienced volunteers and medical staff, making the donation process smooth and efficient.

The Blood Donation Camp was a meaningful way to honor Shri.Naranj Bhakta's memory, bringing together the community in a collective effort to help save lives. The event not only succeeded in its goal of collecting blood but also inspired many to continue participating in such initiatives in the future.
