Program objective	To make students acquaint with focusing on their goal.
Program outcomes	Students receive information about importance of having focus on their goal to achieve success in life and also about importance of strategizing and having team work to achieve the goal.

On the second day of Avishkar 2024, the atmosphere was electric with anticipation as Ms. Pragya Tripathi took the stage. Her session, focused on the "First 90 Days" formula, was a masterclass in setting the foundation for future success. With a blend of wisdom and practical advice, Ms. Tripathi highlighted how the initial three months of any new role or academic journey are pivotal. She guided the students through the nuances of focused goal-setting, illustrating how to leverage this critical period for maximum impact. Her presentation was not only enriched with informative videos but also featured interactive segments that actively engaged the students, making the concepts resonate deeply and personally.

The morning session was further enriched by the esteemed Dr. Kiran Pandya, the Dean of the

Faculty of Commerce and Management, and Dr. B. M. Vadher, the Director of CGPIT. Their presence brought an added layer of gravitas and insight, as they shared their vast experience and offered their blessings to the students. Their session was a thoughtful blend of encouragement and pragmatic advice, setting a tone of inspiration and aspiration for the day's activities.

As the day progressed, the energy levels soared during the afternoon session, which was a whirlwind of excitement and engagement. Coordinated by the Ms. Bhavana Patel and the Dr. Kruti Bhatt, this session was a lively mix of Dance Team Trivia and interactive games. The activities were designed not just for fun but to serve as dynamic learning platforms. Students dove into challenges that mirrored real-world collaborative efforts, working together to tackle obstacles and devise creative solutions.

The Dance Team Trivia brought a rhythmic twist to the proceedings, combining quick thinking with teamwork in an exhilarating format. Meanwhile, the In Act games pushed students to their collaborative limits, fostering a deeper understanding of teamwork dynamics. Through these engaging exercises, participants not only refined their skills in working together but also gained invaluable insights into effective problem-solving and team cohesion.

By the end of the day, it was clear that the second day of Avishkar 2024 had been a resounding success.

Report prepared by Dr. Kruti Bhatt and Dr. Vivek Ayre.
