On the fourth day of Avishkar 2024, the morning session began with a burst of inspiration and insight as Dr. Vivek Ayre and Ms. Peenal Sankhla took the stage. Their presentation, titled "World and You," was a captivating journey into the interplay between individual aspirations and global realities.

Dr. Ayre and Ms. Sankhla guided the students through an engaging exploration of what makes personalities stand out in the crowded tapestry of global achievers. They painted vivid portraits of renowned figures, dissecting their traits, habits, and the pivotal moments that shaped their careers. Through a series of illustrative examples and anecdotes, they highlighted the key attributes that contribute to success, encouraging students to reflect on their own aspirations and potential paths.

In the afternoon, Ms. Margi Shah engaged students with management lessons through interactive games, enhancing their understanding of key management principles in a dynamic way. Dr. Meyonis Pithawala, Prof. and Director- C. G. Bhakta Institute of Biotechnology delivered a compelling lecture on the significance of discipline in professional life. His session underscored the vital role of self-discipline in achieving long-term goals and maintaining ethical standards.

Overall, the day at Avishkar 2024 was characterized by comprehensive learning experiences, blending theoretical knowledge with practical applications as well as encouraged them to cultivate essential skills for their academic and professional journeys ahead.
