Event Category	Cultural event
Program objective	To escalate the skills and creativity of students in Mehndi creation.
Program outcomes	The competition provided a platform for participants to demonstrate their skills and engage in a cultural tradition that is rich in history and significance

The Mehndi competition held at BVPIM on 18th July was a vibrant celebration of cultural artistry and creativity. In total 13 students participated in the competition. The participants were given an hour to showcase their creativity and art work using henna paste. The esteemed judges of the event evaluated the work of the participants on the criteria of concept, detailing, finishing & fineness and visual attraction. The student volunteers had played important role in and out of manging this competition and maintain the decorum of the competition.

The competition provided a platform for participants to demonstrate their skills and engage in a cultural tradition that is rich in history and significance. The Mehndi competition was a resounding success achieving its goal of promoting cultural awareness and fostering team spirit among students. The winner of the Mehndi Competition was Hir Bhakta from FYBBA div C.
