Program objective: The International Youth Day Celebration aims to engage students in a series of dynamic competitions including debate, elocution, poster making, and online gaming to foster creativity, critical thinking, and teamwork. The event is designed to provide a platform for students to express their ideas, develop their communication skills, and showcase their talents. By participating, students are encouraged to explore contemporary issues and contribute to meaningful dialogues that shape their future.

Program outline: The celebration includes a diverse lineup of competitions, where students participate in debate, elocution, poster making and online gaming. Each event is structured to challenge and enhance the participants' intellectual and creative abilities.

Program outcomes: Participants will gain improved communication and critical thinking skills through active engagement in various competitions. The event will enhance students' ability to collaborate and innovate, fostering a sense of community and shared purpose. Additionally, students will leave with a greater awareness of global issues and the role they can play in addressing them.
