

Bhulabhai Vanmalibhai Patel Institute of Computer Application

Uka Tarsadia University

Student Development Cell

Objective: To provide a platform for institute's students to enhance and showcase their technical skills for life-long learning.

Plan of Action:

- 📌 Organize and conduct sessions that groom technical and soft skills of the students.
- 📌 Aware and motivate students to participate in state, national and international level certifications, competitions and examinations.
- 📌 Keep abreast with Scholarship schemes for students that can be availed from university, government and other authorized organizations.
